

Mount “A” Needs YOU to Get Involved!

Enjoy some camaraderie with like minded individuals and help keep Mount A worth coming back to!

- In the **Spirit of Earth Day**, we are teaming up with **Geocachers** and co-hosting a **CITO (cache in, trash out) Event at Mount A!**

Help clean up this natural treasure! Geocachers all across the World gather together on this weekend to give back to worthy causes. Grab a cup of coffee and a pair of gloves and join us for our first volunteer workday of the season. We will be picking up trash & litter from the summit, parking areas, and roads around the mountain. Please also bring a lunch for afterwards and join us for a sneak peek and picnic inside the new Learning Lodge.

Please register in advance.

Date: Saturday, April 30th (9:15AM) (This event is Rain or Shine!)

Duration: 3 Hours

Contact Info: Call 207-361-1102 or Email: rkerr@yorkmaine.org to reserve your spot

This is a Geocache CITO event. Visit geocaching.com/cito/default.aspx for more information.

- **Volunteers Needed to staff the new Learning Lodge at Mt. A!**

Become a Learning Lodge Docent! The Mount Agamenticus Conservation Program is seeking individuals to help staff the new environmental education facility at the summit of Mount A. Volunteers will greet visitors as they explore the Learning Lodge, answer questions, and help to explain our current work and conservation goals.

If you are interested in this opportunity or would like more information, **please contact Robin Kerr at 207-361-1102 or rkerr@yorkmaine.org**

- **Additional Opportunities:**

Join a Community Work Party

Additional volunteer work days are hosted throughout the field season to maintain trails, habitats and facilities. Please mark your calendar now!

2011 Saturday Community Work Parties:

June 4th (National Trails Day)
July 23rd
August 20th
September 24th
October 15th

Adopt- A-Trail

Volunteers can “adopt” a favorite trail and take responsibility for its upkeep. Once trained, adopters can work at their own pace and on their own schedule.

Become a Friend

Help direct visitors and answer questions, document the annual hawk migration, or attend monthly meetings to plan and advocate for the Mount A Conservation Program.

To sign up for a workday or to learn more about the Mount Agamenticus Conservation Program, please visit our website: www.agamenticus.org or contact the Conservation Office at 207/361-1102.

Together, many hands make light work!
