

Mount Agamenticus Park Attendant (seasonal)

Jobs: Park Attendant (1 position)

Dates: approximately June 2nd – October 19th

Location: Mount Agamenticus, York, Maine

Summary of Position:

The Town of York is seeking a responsible individual to perform collateral duty for the Mount Agamenticus Functions Coordinator and Conservation Coordinator. Responsibilities include overseeing special functions and educational programs at the summit and lodge, function setup and cleanup while working closely with clients to ensure a positive experience. Park Attendant will also be the visitor and volunteer contact person, conducting public outreach, answering questions, and explaining the conservation program at Mount Agamenticus.

Specific tasks include:

Park Attendant duties include promoting the Town of York's mission and rules and regulations for the summit of Mount Agamenticus and Lodge; developing and designing educational displays and programs; recruiting and training volunteers and coordinating volunteer schedules for the summit contact station; maintaining/improving landscaping around buildings including lawn care, plantings, weeding, removing invasive plants, and trimming; maintaining and cleaning the lodge facility before and after functions; attend some functions; performing light carpentry, interior and exterior painting, plaster work, and other tasks as required; reporting any irregular activity or misuse; stewardship and outreach responsibilities including trail maintenance, litter pickup, creating and installing signs, upkeep of interpretive kiosks, explaining to visitors the importance of conservation, leading volunteer work groups, and conducting visitor surveys.

Entrance Requirements:

- A friendly, articulate and outgoing personality, especially with the public
- Knowledge of basic carpentry and painting skills, including use and maintenance of hand and power tools
- Ability to work independently, with little direct supervision
- Ability to perform tasks requiring physical exertion, such as lifting and carrying heavy equipment, cutting and moving logs, brush, trash, and to work in difficult terrain and weather conditions
- Ability to work outside at least 80% of your workday.
- Ability to explain our work to a variety of people including outdoor enthusiasts, tourists, neighbors and school groups.
- Ability to follow instructions, improvise when needed and report problems.
- Ability to tolerate ticks, black flies, mosquitoes, dirt and sweat.
- Willingness to work a *flexible schedule* that may include late evenings and weekends.
- Willingness to learn the local ecology and natural resource management principles.
- Demonstrated previous outdoor work and people skills a plus

Wages: \$11.00/hour 40 hrs/wk. Housing is not provided.
